NAKO ILISO achieves a **Level 1 B-BBEE Status**

We believe that the future can indeed be better but only if we engineer it to be that way.

Through our determined and focused efforts, NAKO ILISO management is extremely pleased to announce that we are now a Level 1 B-BBEE company.

Our skills development and recruitment initiatives have yielded the expected outcome. And, by addressing past imbalances where previously disadvantaged individuals are concerned, we have effectively levelled the playing field and will continue to do so.

We know that we could not have done it alone, therefore, we thank our clients, our staff and all NAKO ILISO stakeholders in helping us achieve this noteworthy accolade.

Regards, NAKO ILISO Team
